GROUP PIANO LESSONS

Piano for Children at MSU is a new program for children ages six-and-a-half to ten years old. This introductory level is designed for students who have had no previous piano instruction. Classes will meet once a week for approximately 60 minutes. A total of eleven classes will be held on Tuesdays from September 11 to November 27 from 5:00 to 6:00 p.m. in the Fain Fine Arts Center, room B124.

REQUIREMENTS

All children must be between six-and-a-half and ten years of age (born between 12/07/07 and 03/10/12). All children are required, at minimum, to have simple sentence reading skills and know basic numbers. Students with special capacities or disabilities must contact the instructor prior to enrollment. Practice outside of class time is needed. All students are required to have, or have regular access to, a piano, electric piano, or keyboard by the second week of instruction. With the exception of the Piano Loan Program, MSU does not provide pianos or practice facilities for children outside of class time. It is strictly prohibited for children to practice at Midwestern State University facilities at times other than class time.

PIANO LOAN PROGRAM

Thanks to a partnership with Zavala Hispanic Cultural Initiative, a limited number of keyboards will be made available to children needing an instrument for practice. Assignments will be made based on need and upon request. A refundable \$100 fee is required to participate in the Piano Loan Program.
